

Thoroughbred Polo Ponies

Compañera was flown to England in 2006 after confirming herself as a youngster in Argentina. She played a full season in Buenos Aires in polo of up to 24 goals with a 5 goal player. Since coming to England she has continued to play in medium goal polo up to 18 goals. Will suit virtually anybody as she has a smashing character and is very friendly with people, other horses and has absolutely no vices whatsoever. We bought her when she was 3 years old after she failed to be placed in her first two outings. We never collected her paper paperwork however so sadly we don't know her pedigree but what we do know is that she plays polo, and very well.
