

# Thoroughbred Polo Ponies

Nelly Good is one of our most successful mares. She stands 15.1hh and is registered in both the Jockey Club and the AACCP. Her fantastic pedigree as you can see below or online involves some greats, such as the hall of fame inductee Nashua, Farnesio who in Argentina built an amazing name for himself over a very successful and long career at the top, Advocate from England, Mantecon who has produced lots of polo ponies, Con Brio by Ribot is repeated endlessly in the pedigrees of some of the greats. She currently plays medium goal polo in Argentina.
